

To facilitate communication, please install Teamviewer 12 by navigating to this [website](https://www.teamviewer.com/en/download/previous-versions/) and selecting the link illustrated below.

The screenshot shows a web browser window with the TeamViewer logo at the top. Below the logo, there is a search bar and a list of search results for "Windows (v12.0.90922)". The search results are as follows:

- [TeamViewer](#)
- [TeamViewer QuickSupport](#)
- [TeamViewer QuickJoin](#)
- [TeamViewer Host](#)

This will download a file which you should install.
